GenUs INGENIERÍA | Remodeling, construction and installations contractor in Panama City.

Who we are

GenUs Ingeniería plans, coordinates and supervises every job. The work is carried out by subcontractors and licensed professionals according to each specialty; anything that requires a professional license is done by a licensed professional. Our founder has over 20 years in construction operations, costing and bids in Panama and Central America.

Services

- **Construction and remodeling:** civil works, remodeling, raised floors, space adaptation and turnkey projects.
- **Electrical and energy systems:** installation and maintenance, generators, solar panels, automation and structured cabling.
- **Specialty installations:** plumbing, water pumps, fire protection, air conditioning and cold-applied waterproofing.
- **Finish work:** flooring, ceilings, painting and carpet.
- **Modular furniture and cabinetry:** closets, kitchens, office furniture and doors.

How we work

1. Free site visit.
2. Written, itemized proposal with scope and exclusions. After the visit we tell you the estimated delivery date.
3. Written schedule in business days, with milestones.
4. Periodic supervision, with progress reports on the agreed schedule.
5. Handover record. Each product carries its manufacturer's warranty; labor follows the project's specifications, plans and the REP in force.

For property managers and businesses

- Scheduled maintenance of common areas.
- Proposals for boards and bids.
- A project manager.
- A schedule coordinated with the building's rules on hours and access.

Service area and contact

We serve Panama Province and the surrounding areas, with a free site visit. Outside that area, send us your full, exact address and we'll work out with you how to prepare the quote, depending on the type and size of the project.

Monday to Friday, 8:00 a.m. to 5:00 p.m., and Saturday, 8:00 a.m. to 12:00 p.m. (Panama time). We reply within 1 to 2 business days, depending on our schedule and the project's distance. We serve clients in Spanish and English.
